

CHAT GTP-OAI list of letters opposing congressional attacks on ESA and T & E Species

Here's a tight list of current action alerts with pre-written ("one-click") letters you can send on ESA-related riders and bills. Each link opens a form with editable text addressed to your members of Congress (or relevant decision-makers):

### **Broad attacks on the ESA / poison-pill riders**

- **NRDC Action Fund** — **"Tell Congress: Reject all attacks on endangered species."** Prefilled letter referencing poison-pill riders. [action.nrdc.org](http://action.nrdc.org)
- **Defenders of Wildlife** — **"Urge your legislators to OPPOSE weakening the ESA."** Prefilled message (calls out H.R. 1897 and the wave of ESA-weakening proposals). [Engaging Networks](#)
- **Earthjustice** — **"Oppose any attempts to weaken the Endangered Species Act."** Embedded EveryAction form with ready-to-send letter. [Earthjustice](#)
- **Endangered Species Coalition** — **"Tell Congress to Support the ESA & MMPA."** Action page with "Take Action" button to send a message. [Endangered Species Coalition](#)
- **Cry for the Wild** — **"Tell Your Senators: Stop Anti-Wildlife Riders!"** Prefilled email to keep spending bills free of anti-wildlife riders. [A Cry for the Wild](#)

### **Species-specific alerts tied to riders/bills**

- **WildEarth Guardians** — **"Say no to attacks on gray wolves!"** Form pushes back on anti-wolf legislation (incl. delisting riders). [Engaging Networks](#)
- **NY Wolf Conservation Center** — **"Urge Congress to Protect Wolves & Other Endangered Wildlife."** Prefilled message opposing anti-wildlife riders in FY25 Interior Approps. [engage.nywolf.org](http://engage.nywolf.org)
- **American Bird Conservancy** — **"Keep the Lesser Prairie-Chicken on the ESA."** Letter opposing efforts to remove ESA protections. [American Bird Conservancy](#)
- **Action Network (coalition)** — **"Ask Congress to oppose anti-wolf riders."** Quick letter targeting anti-wolf riders on Interior Approps. [Action Network](#)
- **Action Network (coalition)** — **"No attacks on endangered species in defense funding bill."** Targets attempts (e.g., right-whale protections) via riders in other bills. [Action Network](#)

### **Context on the "24 riders / dozens of attacks" (these are articles not pre-fab letters)**

- Reporting and coalition tracking have flagged at least **two dozen** anti-wildlife riders in House spending bills (mirrors your "24 riders" figure). [Common Dreams](#)
- Defenders details the current Interior bill being **"loaded with riders"** undermining the ESA. [Defenders of Wildlife](#)

Want these packaged in a spreadsheet with columns for **org • campaign title • target bill/rider • link • who it contacts**? I can generate it right away.
