

FIRST PRIORITY- CONTACT MEMBERS OF KEY COMMITTEES

Of special importance are members of House and Senate Agriculture and Natural Resources Committees. The bill in 2026 will likely have to pass out of their committees. We ask constituents in their districts to contact them before next January.

Here is a link to a map showing the districts and names, emails,, phones of legislators on the two Agriculture and Natural Resource Committees - Here is a link to a map showing the districts and names, emails,, phones of legislators on the two Agriculture and Natural Resource Committees. Rep. Liz May is now added to the House Agriculture and Natural Resources Committee. - <https://phas-wsd.org/wp-content/uploads/AgricultureAndNaturalResourcesCommittee-2.pdf>

1) House Agriculture and Natural Resources Committee.

Here is a link to a chart we made for members of the Committee, with information on party, home town and job https://phas-wsd.org/wp-content/uploads/CHAT_HB1262_Full_Committee_Chart.docx

One legislator died this year (**Vasgard**) and is replaced with **John Shubeck** - John.Shubeck@sdlegislature.gov. Liz.May@sdlegislature.gov is also a 2026 replacement Here is a link to a map of legislative districts, showing how committee members (per district) voted on HB 1262 (Nay is the good vote). The map used shows the shape of legislative districts in 2020 before redistricting in 2021 or 22.

https://phas-wsd.org/wp-content/uploads/Bill1262_vote_maps.pdf

Here is a map of SD Legislative districts after recent redistricting: <https://phas-wsd.org/wp-content/uploads/map-of-legislative-districts.png> You can use this to figure out what friends/relatives live in districts of key legislators. Folks not in their districts can contact them also - especially as when they are on committees ,they are representing all of us with their votes - as Committees are gatekeepers to what bills get to floor votes.
